Project BR-110

Project Details

The luxurious project is located in the center of Istanbul city, known for its elegant design apartments that provide an outstanding sea view, and the vast green landscapes.

The project consists of seven complexes, located across 62.000 m², with an extraordinary architectural design, and elegant interior decoration to add more magical touch for residence with a direct sea view on Marmara.

It has attracted many investors for its strategic location in the city center, the vital services such as hospitals, universities, and schools, not to mention the proximity to public transportation, such as metro and metrobus station.
