## Project Detail

A unique engineering design for a hotel project in Istanbul, which includes two buildings that rise in Bagcilar sky, a very distinguished and vital district.

A unique investment project with a privileged geographical location directly on the vital artery of Istanbul's Basin Express, the road on which many important projects and facilities exist on both sides.

The hotel apartments in the project are considered with their artistic finishes extending from the era of the Chinese Empire.

Comfort and luxury are provided in the best ways and methods of the distinguished hotel, which depends on a long experience in the field of hotel services.

High-end services within the facilities included in the project, which vary to suit the luxurious standard of care for guests and residents.

A project with a high investment return guarantee, suitable for Turkish citizenship.
